2004 summer reading program promotional items update

To help public libraries promote their summer reading programs, the State Library ordered "Discover New Trails" and "Get Lost" posters and bookmarks from the Collaborative Summer Library Program/Upstart catalog last November. Upstart was directed to ship the merchandise directly to the library system headquarters, and mail the invoice for the complete order to the State Library.

Upstart completed shipping these items on Monday, March 1. Every public library system should receive a shipment. Quantities of each item varied by library; refer to the cover letter that accompanied your summer reading program start-up kit for the quantities of posters and bookmarks the State Library ordered for your library system.

Libraries should not receive invoices for the posters and bookmarks ordered by the State Library. If your shipment of posters and bookmarks contains an invoice, please discard it. Do not pay the invoice for the posters and bookmarks ordered by the State Library for your system.

If you have any questions, please contact Nancee Dahms-Stinson at nancee.dahms-stinson@sos.mo.gov or 1-800-325-0131, ext. 5.
